[EXTERNAL EMAIL]

He cut the wires, call the WiFi company. Also he got arrested today for the damages he has done last night.

>> Shari,

>> I didn't feel the need to report this originally but in light of these new events I feel it's necessary. On Wednesday I happened to walk into the building at the same time as this fucking nut and he repeatedly asked me where I lived. I just said upstairs and he said oh are you apartment 4? He is targeting me and I don't know how the building expects me to live like this or pay for this. This is completely inhumane and the building has absolutely failed me.
