[EXTERNAL EMAIL]

Just checked the cameras, they didn't do anything, just came by on the sidewalk and left!!!

The person in 2BR is once again causing commotion. He has slammed his door repeatedly, started hammering, and he is running some machine in there that is making my walls vibrate. He did it last night and it was still going when I woke up this morning. To be honest, I can't tell if it's music or a machine but it's disturbing nonetheless.
